TUESDAY LEAGUE
INFORMATION
2023

The following is a general outline for the Tuesday league during the 2023 season. If there are any change to the dates, operations, and payouts they can and will be made during the league meeting scheduled at the clubhouse on Tuesday, April 4th at 6:00PM. Everyone's input is welcome. The goal of the league is to have fun with a fair scoring and payout system. If you do not have a handicap, get one set up early in the season and it will benefit you, as well as the whole league.

- There will be two halves to the season. Each half will be paid upfront. The cost per night is \$30.00 per person which includes the green fee, ½ cart fee, and \$5.00 prize fund. The final banquet is \$18.00 per person. A \$35.00 handicap fee will be included to the cost of the first half.
- The first half is projected to start **4/25 and end 6/27**. The total cost for the first nine events will be **\$323.00**. A prize fund of \$45 per person will be generated during the first half. One rain night is built into the first half. If no rain date is used the league will receive the night as a free play night.
- The second half will begin **7/11 and end 9/5**. The total cost of the second half will be **\$288.00** for the nine events. A prize fund of \$45 per person will be generated during the second half of the season. (*First time participants in the second half will pay an additional \$35.00 for the handicap fee.*)
- The league will be a **TWO (2) person team** event. Each evening three points will be at stake. There are several ways to set up the scoring system. These will be discussed at the meeting. The past format has been match play. Proximity prizes will be added each week. The last week of league a team scramble is played, banquet and awards will follow. All events are handicapped, and playoffs will occur 2nd to last week.
- Start times will vary due to daylight. Events will be *Shotgun* and occur between **5:30 and 6:00 pm**.
